## **Call for Papers**

This call includes guidelines for submissions of research papers (full and extended abstract) and workshop/special sessions.

**The deadline for all submissions is January 8<sup>th</sup>, 2018** Decisions will be provided by end of February. All submissions will be completed via **AMA/ACRA 2018 EasyChair Submission Site** (<https://easychair.org/conferences/?conf=2018acraamatriennial>). All contributions will be peer reviewed and we welcome submissions of 1) Extended Abstracts; 2) Competitive (Full) Papers; and 3) Workshop/Special Sessions

---

### **1) Extended Abstract Submission Guidelines**

- Extended abstracts are 2-5 pages research summaries (exclusive of title page and references). There is a strict 2-page minimum and a 5-page maximum (double-spaced).
- On the cover page, please include the paper title, contact information of all authors, and a short 100-word single-spaced abstract.
- Please submit your extended abstract in WORD (.doc or .docx) document.
- The style guide for this submission is APA.
- At least one author must register and attend the conference.
- These submissions will be reviewed by a selected panel. For inquiries regarding the extended abstract, please contact Dr. Gopal Iyer (giyer@fau.edu) and Dr. Lauren Beitelspacher (lbeitelspacher@babson.edu).

### **2) Competitive Full Paper Submission Guidelines**

- Competitive papers are full papers that are submitted to one of nine designated tracks. Authors must prepare two separate documents (Title Page + Main Body).
- On the "Title Page" document, please include the paper title, **the designated track** (see below), contact information of all authors, and a short 100 word single-spaced abstract.
- The "Main Body" document must not exceed 25-pages (double-spaced). This is all inclusive, including

exhibits, references, tables/figures, appendices.

- Please submit your full papers in WORD (.doc or .docx) to the designated Track Chairs. Competitive papers will be double-blind reviewed. Authors will not know who the reviewers are and the reviewers will not know who the authors are. Authors should not reveal their identities in the manuscript.
- The style guide for this submission is APA.
- To be considered for acceptance, the paper or a similar version of the paper must not be a) have been previously published, b) have been accepted for publication elsewhere, c) be under consideration for publication elsewhere, or d) be submitted for review elsewhere during the conference review process.
- At least one author must register and attend the conference.
- Authors who are uncertain regarding the track or inquiries regarding the competitive full paper may contact Dr. SH Mark Lee ([lee.mark@ryerson.ca](mailto:lee.mark@ryerson.ca)) for consultation.
